RBC 101 Academic Planning – FULL-TIME, FIRST-TIME, DEGREE SEEKING STUDENTS only.

Enrollment in a section of RBC 101 is required for all full-time, first-time, degree seeking students and is only available to those students. This course cannot be dropped or audited, unless the student drops to part-time status. The course cannot be repeated.

Full-time refers to students enrolled in 12 or more credit hours (including RBC 101).

First-time refers to students who are currently enrolled in their first semester at RBC and upon admission to the College have not been enrolled in any college course after graduating from High School.

Degree-seeking refers to students who have indicated they plan to complete the requirements for an Associate degree at Richard Bland College.

During the initial advising session, students will choose the section of RBC 101 according to the instructor's expertise and the student's academic and career goals. That instructor will also serve as the student's academic advisor.

Attendance for the three scheduled classes is **mandatory** (August 23, September 13, and October 4) and completion of the course requirements (outlined in the syllabus) is required. The course will satisfy one elective credit and the grade *will* affect the student's term and cumulative grade point averages.

Accessing Student Records & Registration via RBC Banner Web

Log on to www.rbc.edu

Click on “Access Banner Web” in the right column.

Next, click on the “Access Banner Web” bar in the middle of the screen.

If you get a “page cannot be displayed” message, the computer you are using could be blocking access to the site. You should try a computer from a public access area (such as a public library, etc.), where such blocks are not enforced. You may also try the following:

1. From “Internet Explorer” enter the following: <https://sherman.rbc.edu:769/>
2. From the RBC Homepage click on the “Information Technology Services” link then, look for “Banner Web”

Click on "Enter Secure Area"

Enter your User ID (R00-----) or SS# and your PIN. If this is the first time you are accessing RBC Banner Web, your PIN is your date of birth (MMDDYY). Example, if your date of birth is January 08, 1985, you would enter 010885. You will be prompted to change your PIN to a “new” 6-digit number. Continue to use the new number to enter Banner.

Click on “Login”. Initially, you will be prompted to ask yourself a question & then answer it. Keep this simple. If you use hyphens or slashes in the answer, that is how you must enter it later. If you need to use this option to reset your Pin, you must enter your Banner User ID (or SS#) first. Then, select the “Forgot Pin” button.

At the MAIN MENU select one of the following options.
