

Richard Bland College of The College of William and Mary in Virginia was founded in 1960. It is the Junior College of the Commonwealth of Virginia. The College offers a traditional curriculum in the liberal arts and sciences leading to the associate degree and other programs appropriate to a junior college. The curriculum is intended to allow students to acquire junior status upon transferring to a four-year college or to pursue expanded career opportunities. The College also recognizes its responsibility to serve the public by providing educational and cultural opportunities for the community at large.
