Accessing Student Records & Registration via RBC Banner Web

Log on to www.rbc.edu

Click on “Access Banner Web” in the right column, then on the Access Banner Web bar in the middle of the page.

If you get a “page cannot be displayed” message, it may be because the computer you are using could be blocking access to the site. You should try a computer from a public access area (such as a public library, etc.), where such blocks are not enforced. You may also try the following:

1. From “Internet Explorer” enter the following: <https://faith.rbc.edu:769/>
2. From the RBC Homepage click on the Information Technology Services link and look for “Banner Web”

Click on “Enter Secure Area”

Enter your User ID (R00-----) and your PIN. If this is the first time you are accessing RBC Banner Web, your PIN is your “six-digit” date of birth (MMDDYY). You will be prompted to change your PIN to a “*new*” **6-digit number**. Continue to use the *new number* to enter Banner.

Click on “Login”. Initially, you will be prompted to ask yourself a question & then answer it. Keep this simple. If you use hyphens or slashes in the answer that is how you must enter it later. If you need to use this option you must enter your User ID (or SS#) first. Then, select the Forgot Pin button.

At the MAIN MENU select one of the following options.

Personal Information

Update addresses, contact information or marital status, review name or social security number, change information, and change PIN.

Student Services & Financial Aid

Access the RBC on-line registration system, student records. Financial Aid information is not available on Banner Web.

Select from lists behind these links to access additional information.

To “register” or “make course changes” for an upcoming semester you must have your *Alternate PIN only available from “your” advisor each semester*. Your Alternate PIN expires at the end of the first week of classes and cannot be used for an upcoming semester. Registration for summer must be done through the Registrar’s Office; therefore, no Alternate PIN is needed.

If you have problems, please call the Registrar’s Office at 804-862-6238 or 804-862-6206.
