

Fall 2023 Tuition & Refund Policy

Tuition Late Fee:

The due date for fall 2023 tuition is August 18th. If tuition has not been paid by the due date, or a payment plan has not been set up online, students will be assessed a \$50.00 late fee as prescribed in 2.2-4805 of the Code of Virginia. Students who fail to pay their tuition may be dropped from their registered courses. **Failure to receive a bill does not waive the requirement for payment when due and will not prevent the application of the late fee.** If a student wishes to register for a new class after the tuition due date, tuition must be secured through financial clearance within three days from the Financial Aid or Bursar offices, or a late fee will be assessed and/or classes dropped.

Refunds for Course Drops or Withdrawal from College:

Students are responsible for a percentage of the tuition and fees based on when the class drop or withdrawal occurs. Students shall be entitled to a refund of a portion of tuition paid for the semester in which they are currently enrolled.

Official withdrawal from college must be in writing to avoid receiving failing grades for registered courses. Students withdrawing from the College must complete the "Official Withdrawal Form," obtain applicable signatures, and submit it to the Records & Registration Office by the penalty drop date found on the academic calendar. The form is available on the College website and in the Records & Registration Office. All student accounts with the College must be settled before the withdrawal process can be completed.

Students withdrawing from a current semester will also be withdrawn from any upcoming semesters for which they are preregistered. Students desiring to return to the College must apply for readmission. Students who withdraw in good standing shall be entitled to a refund of a portion of tuition charged or paid for the semester in which they are currently enrolled.
