

Elective Courses Selection Guide

For Associate's of Science and Associate's of Arts Degrees

We've created this guide to help you see which courses are most likely to transfer to a four-year institution. As you select your electives at Richard Bland College, you should also confirm whether this course is likely to transfer to your four-year institution of choice.

These elective courses are highly transferable:

BIO 111 - Medical Terminology (for health professions only)
BUS 104 - Introduction to Business
BUS 201 - Principles of Accounting I
BUS 202 - Principles of Accounting II
HLTH 245 - Understanding Nutrition (health science majors)

These elective courses are *generally not* transferable or may transfer only as other general electives (Art-intended majors should contact the Art Professor/Advisor for guidance on specific Art course selections):

ART 101 - Basic Design I
ART 102 - Basic Design II
ART 103 - Beginning Drawing I
ART 104 - Beginning Drawing II
ART 221 - Intermediate Drawing I
ART 222 - Intermediate Drawing II
ART 292 - Portfolio Development
CSCI 103 - Computer Keyboarding
EDUC 200 - Introduction to the Teaching Profession
HLTH 225 - Health and Wellness
PSY 101 - Psychology of Effective Learning
THEA 115 - Introduction to Acting
THEA 132 - Theatre Practicum
THEA 133 - Theatre Practicum
