

Richard Bland College Library  
**Finding Newspaper Articles  
on Biology-Related Topics**

[www.rbc.edu/library](http://www.rbc.edu/library)  
804-862-6226  
[library@rbc.edu](mailto:library@rbc.edu)

### ACCESS FACTIVA

- Begin at the library web page: [www.rbc.edu/library](http://www.rbc.edu/library).
- Select **"Articles"** listed under **Find Items**.
- Select **"Factiva"** under **Browse by database name**.

### LOGGING IN FROM OFF CAMPUS

- When selecting **"Factiva,"** you will be prompted to login if you are off-campus or in the residence halls. Your user name and password is the same one that you use to login to Blackboard.

### SEARCHING FACTIVA

- To limit your search to major US newspapers and magazines, begin your search with the following: ***rst=TMNBUS and***
- Then enter terms to search such as ***environmentalists*** or ***cancer*** or ***DNA*** or ***biologists***, etc. (Note: Search only the title of an article by inserting this word after ***hd=*** )
- Restrict the date as necessary.
- Click **"Search"** when ready to execute your search.
- To print an entire article, select **"Article Format"** rather than **"Headline Format."**
