Old Dominion
UNIVERSITY

Using the Transfer Guide

Thank you for your interest in Old Dominion University!!! The ODU Transfer Guide is designed to assist students transferring to ODU from the Virginia Community College System and Richard Bland College in determining course equivalences and transfer credit. This resource should be used as a guide to recommending courses and completing prerequisites prior to transferring. Prospective transfer students should refer to the current curriculum sheets (http://uc.odu.edu/advising/cs/2010_2011.shtml) for more specific degree requirements and applicability of transfer credit.

Courses that do not appear in the Transfer Guide may be transferable but have not been evaluated at this point. Below is a listing of ODU course prefixes and additional resources to better understand information contained in our transfer guide. For more information, please contact the Office of Admissions at 757-683-3685 or transfer@odu.edu.
