

**Higher Education Emergency Relief Fund (HEERF) Reporting:
Emergency Financial Aid Grants to Students
Richard Bland College Quarterly Report
12/31/20**

Overview of Funding:

Section 18004(e) of the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act” or the “Act”), Pub. L. No. 116-136, 134 Stat. 281 (March 27, 2020), directs institutions receiving funds under Section 18004 of the Act to submit (in a time and manner required by the Secretary) a report to the Secretary describing the use of funds distributed from the Higher Education Emergency Relief Fund (“HEERF”).

On May 6, 2020, the U.S. Department of Education, Office of Postsecondary Education posted their reporting requirements for HEERF participating institutions.

Each HEERF participating institution is responsible for providing this information in report format (the “30-day Fund Report”). In addition, these participating institutions are required to post the information listed below on the institution’s primary website. Accordingly, the following information will be easily accessible to the public and made available 30 days after the date when the institution received its allocation under 18004(a)(1) and updated every 45 days thereafter.

Richard Bland College (RBC) addresses questions for the “30-Day Fund Report” below:

6. The method(s) used by the institution to determine which students receive Emergency Financial Aid Grants and how much they would receive under Section 18004(a)(1) of the CARES Act.

RBC Response: *We used an application process for students to apply for the CARES funding, to include the students completing the FAFSA form to determine eligibility. Students were asked to complete the FAFSA if they had not already done so by May 15 and all students were to fill out a COVID-19 Application form for funding by June 1, 2020. Once it was determined which students were eligible to receive the funding, the students each received an equal share: full \$731.00 amount for full-time students, and \$365.50 for less than full-time students. Aid was awarded to students in mid-June 2020.*

7. Any instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants.

RBC Response: *The Office of Financial Aid has sent several emails to students with instructions on applying for the FAFSA and the RBC COVID-19 Application for funding. The instructions are easy to follow and includes the link to the application. The application can also be accessed via mobile devices. We have also established a COVID-19 email address covid19info@rbc.edu where students can send any questions or concerns. A letter was also sent out to student with their grant checks with guidance.*
