

2025-2026 Unusual Enrollment History Form

The U.S. Department of Education has selected your file for review due to your unusual enrollment history. An unusual enrollment history is defined by having attended and received Pell Grant and/or Direct Stafford Loans from multiple colleges/universities during the review period of 2021-2022, 2022-2023, 2023-2024, and 2024-2025. Before processing your federal aid file, Richard Bland College is required to review your enrollment history and determine whether or not you are enrolling only long enough to receive cash refunds of federal student aid. In the process of reviewing your enrollment history, in addition to colleges listed on your Admissions application, the Financial Aid Office will also check the National Student Loan Data System (NSLDS) at www.nslds.ed.gov for a complete history of the federal Pell Grants and/or Direct Stafford Loans you may have received.
