

Perry J. Miller, Ph.D., A.A.E., I.A.P.

Dr. Perry L. Miller is President and Chief Executive Officer of the Capital Region Airport Commission, where he leads the strategic oversight and operations of Richmond International Airport. With more than three decades of executive experience in aviation and public-sector leadership, Dr. Miller is widely recognized for his expertise in infrastructure development, governance, and organizational leadership.

Dr. Miller previously served in senior leadership roles with the Houston Airport System for more than 25 years and later as Chief Executive Officer of the Jackson Municipal Airport Authority in Mississippi. His career reflects a consistent focus on advancing regional economic competitiveness, operational excellence, and public stewardship.

A nationally respected airport executive, Dr. Miller is an accredited member of the American Association of Airport Executives (AAAE) and a graduate of the ACI-ICAO Airport Management Professional Accreditation Program (AMPAP). He was elected Chair of AAAE, the world's largest professional organization for airport executives, representing more than 10,000 members and nearly 875 airports and authorities.

Dr. Miller holds a Bachelor of Science in Airway Science and a Master of Science in Transportation Planning and Management from Texas Southern University. He earned a Doctor of Philosophy in Management in 2024. In addition to his professional responsibilities, he serves on numerous civic, academic, and industry boards.
